Taking care of you

It's all about you and your special day. On booking your celebrations at Hilton Cardiff, our promise to you is that we will make sure your day is as wonderful as you've always imagined.

Personal service for a personalised celebration

From the moment you come to see us, you will have your own dedicated Wedding Advisor who will meet you for a chat, talk through your wish-list and work on a detailed plan with you. Our commitment to providing a truly personal service means that your Advisor will be with you every step of the way, even via our Bride & Groom Hotline, to take care of every last detail.

Delicious dining

We boast three stunning packages for your special day. Alternatively you can work with your wedding advisor to tailor make your own bespoke package. Evening buffets, canapés and children's menus are all available. A tasting with our Executive Chef will give you complete peace of mind, and we'll also suggest the perfect wine to complement each course.

A night to remember

After all the emotion and excitement of your big day, slipping upstairs and between the crisp white sheets and plump pillows of a Hilton Serenity Bed means a heavenly end to your most special of days. You'll enjoy a complimentary wedding night stay with a romantic breakfast in bed, or with your guests in Razzi Restaurant.

Some extra Hilton touches

You'll also be set up with a private web page to manage your guests' room bookings, display gift lists and provide a plan of the day, which you can easily customise with photos and personal messages.

And to start your Big Day in style, you and your spouse-to-be will be greeted with chilled champagne on arrival, with no check-in necessary – or check out once you're a Mr and Mrs...
